PAR-Q+ The Physical Activity Readiness Questionnaire for Everyone

Regular physical activity is fun and healthy, and more people should become more physically active every day of the week. Being more physically active is very safe for MOST people. This questionnaire will tell you whether it is necessary for you to seek further advice from your doctor OR a qualified exercise professional before becoming more physically active.

SECTION 1 - GENERAL HEALTH

Please read the 7 questions below carefully and answer each one honestly: check YES or NO. YES NO

- 1) Has your doctor ever said that you have a heart condition **OR** high blood pressure?
- 2) Do you feel pain in your chest at rest, during your daily activities of living, **OR** when you do physical activity?
- 3) Do you lose balance because of dizziness **OR** have you lost consciousness in the last 12 months? Please answer **NO** if your dizziness was associated with over-breathing (including during vigorous exercise).
- 4) Have you ever been diagnosed with another chronic medical condition (other than heart disease or high blood pressure)?
- 5) Are you currently taking prescribed medications for a chronic medical condition?
- 6) Do you have a bone or joint problem that could be made worse by becoming more physically active? Please answer **NO** if you had a joint problem in the past, but it does not limit your current ability to be physically active. For example, knee, ankle, shoulder or other.
- 7) Has your doctor ever said that you should only do medically supervised physical activity?

If you answered NO to all of the questions above, you are cleared for physical activity. Go to Section 3 to sign the form. You do not need to complete Section 2.

Start becoming much more physically active – start slowly and build up gradually.
Follow Canada's Physical Activity Guidelines for your age (www.csep.ca/guidelines).
You may take part in a health and fitness appraisal.

If you have any further questions, contact a qualified exercise professional such as a CSEP Certified Exercise Physiologist® (CSEP-CEP) or a CSEP Certified Personal Trainer® (CSEP-CPT).

If you are over the age of 45 years and **NOT** accustomed to regular vigorous physical activity, please consult a qualified exercise professional (CSEP-CEP) before engaging in maximal effort exercise.

If you answered YES to one or more of the questions above, please GO TO SECTION 2.

Delay becoming more active if:

You are not feeling well because of a temporary illness such as a cold or fever - wait until you feel better

You are pregnant - talk to your health care practitioner, your physician, a qualified exercise professional, and/or complete the ePARmed-X+ before becoming more physically active OR

Pyramid Fusion Co. 8253 W. Otero Ave. Littleton, CO 80128 303-994-4945
<http://www.pyramidfusion.com/physical-fitness/>

Your health changes - please answer the questions on Section 2 of this document and/or talk to your doctor or qualified exercise professional (CSEP-CEP or CSEP-CPT) before continuing with any physical activity program.

If you answered NO to all of the follow-up questions about your medical condition, you are ready to become more physically active:

If you answered **YES** to **one or more of the follow-up questions** about your medical condition:

You should seek further information before becoming more physically active or engaging in a fitness appraisal. It is recommended strongly that you complete the specially designed online screening and exercise recommendations program (i.e., the ePARmed-X+; www.eparmedx.com) and/or visit a qualified exercise professional (CSEP-CEP) for further information.

It is advised that you consult a qualified exercise professional (e.g., a CSEP-CEP or CSEP-CPT) to help you develop a safe and effective physical activity plan to meet your health needs.

You are encouraged to start slowly and build up gradually - 20-60 min of low to moderate intensity exercise, 3-5 days per week including aerobic and muscle strengthening exercises. As you progress, you should aim to accumulate 150 minutes or more of moderate intensity physical activity per week. If you are over the age of 45 years and **NOT** accustomed to regular vigorous physical activity, please consult a qualified exercise professional (CSEP-CEP) before engaging in maximal effort exercise.

You are encouraged to photocopy the PAR-Q+. You must use the entire questionnaire and NO changes are permitted.

The PAR-Q+ Collaboration, the Canadian Society for Exercise Physiology, and their agents assume no liability for persons who undertake physical activity. If in doubt after completing the questionnaire, consult your doctor prior to physical activity.

If you are less than the legal age required for consent or require the assent of a care provider, your parent, guardian or care provider must also sign this form.

Please read and sign the declaration below:

I, the undersigned, have read, understood to my full satisfaction and completed this questionnaire. I acknowledge that this physical activity clearance is valid for a maximum of 12 months from the date it is completed and becomes invalid if my condition changes. I also acknowledge that a Trustee (such as my employer, community/fitness center, health care provider, or other designate) may retain a copy of this form for their records. In these instances, the Trustee will be required to adhere to local, national, and international guidelines regarding the storage of personal health information ensuring that they maintain the privacy of the information and do not misuse or wrongfully disclose such information.

PERSONAL TRAINING - RELEASE AND INDEMNIFICATION FORM

We strongly recommend that all participants in our personal training program consult their physician prior to participation.

In consideration of the acceptance of my participation in my Personal Training Program, I, the undersigned, intending to be legally bound for myself, my heirs, executors, administrators, and assignees, do hereby waive, release, and forever discharge Lora Cheadle, Pyramid Fusion, its agents, contractors, employees, representatives, successors, and assignees, from all liabilities, actions, claims, demand, damages, costs, and expenses, which I may now or in the future have against them or any of them arising out of or in any way connected with my participation in the program, including but not limited to all injuries that may be suffered by me. I understand that this waiver includes, but is not limited to any claims that are based on negligence or other action or inaction of the above named parties. In further consideration of the acceptance of my entry, the undersigned indemnifies and holds harmless Lora Cheadle, Pyramid Fusion, its officers, directors, agents, and employees against all liabilities, claims, damages, and expenses of every kind and nature which grow out of or are in any way connected with the conduct or organization of this program.

1. I understand and am aware that strength, flexibility, and aerobic exercise, including the use of equipment, are potentially hazardous activities. I also understand that fitness activities involve a risk of injury and even death, and I am voluntarily participating in these activities and using equipment and machinery with knowledge of the dangers involved. I agree to expressly assume and accept any and all risks of injury or death.

2. I do further declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity, or other illness that would prevent my participation or use of equipment and machinery. I do acknowledge that I have been informed of the desirability for a physician's approval for my participation in an exercise/fitness activity or in the use of exercise equipment and machinery. I also acknowledge that it has been recommended that I have a yearly or more frequent physical examination and consultation with my physician as to my physical activity, exercise, and use of exercise and training equipment so I might have his/her recommendations concerning these fitness activities and equipment use. I affirm that I have either had a physical examination and have been given my physician's permission to participate, or that I have decided to participate in activity and use of equipment and machinery without the approval of my physician; and I assume all responsibility for my participation and activities, and utilization of equipment and machinery in my activities.
